

IOWA FIRE EXTINGUISHING AND ALARM SYSTEM CERTIFICATION ADVISORY BOARD MEETING

Meeting. The Iowa Fire Extinguishing and Alarm System Certification Advisory Board met in Des Moines on June 29, 2016. Minutes from the May 2016 meeting were approved. Discussion centered on:

- The Global Security Training Initiative, which entails a partnership between several different groups in the security industry. Online training is being developed and uses online proctoring. It is a 21-hour course with 21 separate modules on different topics. Auditing of the training will be completed over the next couple of months by board members, and it will be discussed at the September meeting.
- The Board also reviewed and adopted changes to Administrative Rules [661 IAC 275](#) (Licensing of Fire Protection System Installers and Maintenance Workers) and [661 IAC 276](#) (Certification of Automatic Fire Extinguishing System Contractors).

Public Comments and Other Business. There were no public comments and no other business to come before the Board.

Next Meeting. The next Board meeting is scheduled for September 21, 2016, in Des Moines.
